## President's Report

Welcome to 2010 and what an exciting year it should be. In my last report I told you of the ANKC National Conference in Melbourne. Due to the minutes not being ratified I could not divulge any information. This has now been done so I can tell some of the decisions that were made.

For the last 3 or 4 years your Council has been pushing for Neutered dogs (and bitches) to be given more opportunities in the Conformation Ring. We have tried several different approaches, but could not gain the support to have them implemented. At the 2009 conference our latest proposal was met with overwhelming support. So I am pleased to announce that as of 1 July 2010 Neutered exhibits will have their own Conformation Championship Title available.

This title will operate on the same 100 points system currently in place for the Australian Championship title. Points will only be allocated in "Breed", as Best Neuter in Group (or Show) is only a Class the same as Junior or NT Bred etc which do not accumulate any extra points. There will be NO Grand Champion Neuter title available.

Trialling members have not been forgotten in this as the accepted proposal included allowing the Neutered Champion Title to be used as required "Conformation Title" for gaining the coveted Dual and Triple Championships.

The race will be on, who will be our first to gain points towards this title and who will be our first "Neutered Champion"? I am so excited about this new title I will personally donate a trophy to the exhibit that is the first to gain this title in the Northern Territory to celebrate their achievement.

If you would like more information on this new title please send me an email or give me a call and I will send you further details.

Another item we had approved was the changing of the declaration on the Official Entry Forms. Presently this declaration asks you to sign that your dog has been vaccinated with in the previous 12 months. This vaccination protocol has been debated hotly for years, but recently the AVA has changed its own protocols. In line with this the new declaration will ask you to confirm your dog is vaccinated in accordance with the current AVA vaccination protocols. The wording of this means we do not have to change the entry forms if such protocols are altered in the future. Announcements will be made when the new forms are put in to effect.

Trials Qualification Certificates are being revised and a National Qualification Certificate for each discipline will be available. These new certificates will ensure standardisation throughout the country and be instantly recognisable as an Official certificate. This has been a problem for data input staff nationally as some club issued quality certificates were not up to the expected standard.

The minutes of the conference are several hundred pages long, a copy will be available in the office if you wish to look through them and a Conference Summary will be posted on the ANKC web site.

This is the first electronic edition of the TDW without Yvonne van der Horst at the helm as Editor. I would like to thank Yvonne not only from myself, but also on behalf of Council and the members for the sterling job she has done as editor. You will be missed.

Don't forget the Dogs NT AGM 28 April at 8pm on the grounds.

Until next time, good luck in all of your endeavours

## Club Notes

### CANINE EXPO

Canine Expo is well under way preparing for this years weekend of showing and Battle of the Greats. We hope to have a new surprise venue this year for Battle of the Great with sea views! The dress code will be strictly Territory formal i.e. long sleeved shirt and tie for men, after five dress up for women. A prize will be awarded to the best dressed male and best dressed female.

All entries close 4 weeks prior to 30 July 2010. Resume and photo must accompany entries for Battle of the Greats, this is our biggest headache getting these in on time, so your sending these early would be much appreciated.

Battle entries will be \$65 for the first dog. Second and subsequent dogs will be \$10 each. Early bird entries received before 30 May 2010 (excluding June qualifying dogs) will be \$50 each. Pre arranged seating with friends may be accommodated if included with entry.

Anyone raising or acquiring sponsorship for \$500 or more will receive a free ticket to Battle of the Greats dinner. We will be holding our brown paper bag auction as usual and all items will be of \$100 minimum value. We are still seeking items for this auction and would appreciate any donations or ideas.

The three ring format for the weekend for the championship shows will be the same as last year and due to limited resources available for challenge writing over the weekend, challenge certificates will be posted after the shows.

To judge, we have contracted Gwen Johnston and Rosemary Hubrich from New Zealand , and Diane Haseldine from South Australia . Our overseas judges often say 'oh, I've never been to Darwin ' and get quite excited about the prospect. One of the New Zealand judges was quick onto the internet after accepting our contract, looking up 'humidity in Darwin ' and wrote to me saying she couldn't find anything ! I assured her it was low in July and August and just to bring her sunhat, sunscreen and bathers.

President
