## Freds Pass Positive Dog Training Club – Grand Opening!

## Cover Story

### Freds Pass Positive Dog Training Club - Grand Opening!

For the grand opening of our NEW SHED we were joined by Gerry Wood, Member for Nelson who did the honours and cut the ribbon. Thanks Gerry!

The Club has enjoyed considerable success over recent years – positive training is incredibly popular right across the nation (Showies know about baiting and you would have seen dolphins trained using the same technique) – and in such a short time we have been able to build a sizeable club shed and club house...

And Special Shed thanks go to:

- Jeff & the crew at Area Steel – especially for the “mates rates” on the shed together with the donation of insulation and whirlybird to keep us cool!
- The Henderson Government for the 2010 Community Benefit Fund grant
- David Ewing, one of our new members, for concreting the ramps
- Shane Smith & Ben Urquhart – again, new members, for their electrical work
- Eileen Fletcher for shelving donations

This shed is the culmination of hard work by members in all sorts of fundraising, from sausage sizzles, quiz nights, raffles and stalls. Huge thanks to all that have assisted in making this dream a reality.

Thanks also go to all the un-noticed jobs of countless people. Those who have been on the Committee, those who fundraised, those who have stored and cared for equipment, those who contributed to working bees, syllabus planning days, all who assisted at trials with the table duties, judges dinners, billeting judges and organising all the paperwork.

The Shed/Club House is the first time in 20 years we've had a place to call home and will be a real asset to the club and its members into the future.

A big thanks goes to Jeff at Area Steel. Without Jeff's generous discount we would still be a few years away from having our shed. Jeff and Cathy were a pleasure to work with and incredibly helpful.

If you are thinking about a shed there is only one local business you need to call...Area Steel at Humpty Doo....on 8988 4531 for a quote.

## President's Report

The Territory Tour has come to an end for another year and going by the amount of titles applications that have come through the office (from both the conformation and performance disciplines) it has been very successful for some of our members. Special congratulations to Peter and Nikki Jones and of course Meazle on gaining the final points for his Grand Champion title (Grd Ch Sunspur Zuess CD ET).

One of the best things about this time of year is the opportunity to meet exhibitors from interstate and their dogs, especially those rare breeds that we do not normally get to see up here. This year we were graced with two breeds I have never interacted with before. The first was the Skye Terrier, this boy was wonderful in dealing with strangers like me wanting to get up close and personal. Keeping all that coat in show condition while on the road for the complete Tour would be too much work for a lot of us and is a credit to his owners.

And then of course there was the Xoloitzcuintle's, the rarest of rare breeds in Australia with only the 2 being shown in the whole country. I am not a judge, but my first impression was, "What a dog!" I think they made a big impression on exhibitors and the general public as well. The males name being NACA (although pronounced Narca) just endeared him to me just that little bit more.

There were many other visitors as well, some on their first tour and others who we consider honorary locals. Thank you for being part of our showcase events and if you have any suggestions or ideas that we can use to make future Territory Tours better, please don't hesitate to let me know. From the messages and photos on facebook, it appears that Camp Wallaby Holtze was the place to be for visitors to Darwin. With dog friendly accommodation becoming scarcer, Melissa and Steve have done a wonderful job in showing what Territory hospitality is all about.

In other news, I travelled to Alice Springs before the start of the show season to meet with the clubs and discuss numerous issues. The one issue that everyone had was the lack of opportunity for members outside of Darwin to be represented and participate in Council. While the tyranny of distance has always been a problem, we are now well into the technology age and there are now ways to overcome this. Council will be working on this issue and I am hopeful that we can have everything in place in the not too distant future to make it a reality.

My visit to Alice Springs was made possible by a grant from the NT Governments Community Benefits Fund.

Last issue I asked for anyone with experience in applying for grants to come forward to help us, Cilla Wilkinson in Alice Springs has taken up the challenge and already has several grant applications lodged. Thank you Cilla.

In the next edition of the TDW, I am hoping to have the agenda items for the first board meeting of ANKC Limited available for members to provide Council with their comments on how we should proceed. The time frame will be very tight with only a week or so between publication and the Council meeting and then only days until the National meeting.

DOGS NT is now on FaceBook, at <http://www.facebook.com/DOGSNT>, we will be using this as another avenue of getting information out to our members as quickly as possible. Please check it out.

Until next time
